

## ¿How to report IBC?

IBC/GRG is declared as packaging type: Cage, container (IBC, IBC, GRG)

It should not be declared as composite packaging; instead, **a separate line must be declared for each material** comprising the entire packaging: plastic, wood, and metal

In the following example, the following considerations are made:

- There are no multi-materials.
- The volume capacity is one cubic meter.

### Packaging Declaration Template

Mandatory for all declarations
Mandatory for detailed declaration only (>15 tonnes)
Complete only if applicable
Mandatory only for reusable packaging

Mandatory	Mandatory detailed	Optional	Optional	Mandatory detailed	Mandatory	Mandatory	Mandatory detailed	Mandatory	Mandatory detailed	Mandatory
Tax ID (NIF)	Item Reference (grouping of packaging formats)	Additional Item Info (EAN, SKI, ...)	Item Description	Type of Contained Product	Flow	Type of Use	Packaging Function	Packaging Type	Weight or Volume of product in the packaging (ml or g)	Packaging Weight (g)
A12345678	1		IBC	Spirits and liqueurs	Industrial	Single-use	Primary	Drum, barrel, gas cylinder,	1000000	50000
A12345678	1		IBC	Spirits and liqueurs	Industrial	Single-use	Primary	Case, cover		7000
A12345678	1		IBC	Spirits and liqueurs	Industrial	Single-use	Secondary	Cage, container (IBC, GRG)		40000
A12345678	1		IBC	Spirits and liqueurs	Industrial	Single-use	Secondary	Elements for the safe use of the product (handle,		2000
If applicable	<b>Mandatory</b>	If applicable	If applicable	<b>Mandatory</b>	If applicable	If applicable	If applicable, to avoid plastic penalty	Mandatory Commercial and Industrial	Mandatory for reusable	
Packaging units per form	Total sales of the format (units)	Horeca Sales (units)	Auto-Import Sales (C/I) (units)	Material	Grouping of lines that compose a Multimaterial packaging	Recycled Material Content (%)	Color	Hazardousness	Replacement of stock (units)	
1	1.000			PLÁSTICOS HDPE		0%	Blanco opaco	No		
1	1.000			PLÁSTICOS HDPE		0%	Negro de humo	No		
1	1.000			METALES ACERO		0%		No		
1	1.000			METALES ALUMINIO		0%		No		

**Deadline for submitting the Report: February 28, 2025**
